

SAFEAUX COOKIE POLICY

Effective Date: July 20th, 2026

Section 1: Introduction

This Cookie Policy explains how Safeaux uses cookies and similar technologies when users access or interact with its website, mobile application, products, services and related features (the “Platform”).

This Cookie Policy should be read together with the Safeaux Privacy Policy, which explains how personal information is collected, used, stored, processed and protected.

By continuing to use the Platform, users acknowledge that cookies and similar technologies may be used in accordance with this Cookie Policy.

Section 2: What Are Cookies?

Cookies are small text files that are placed on a user’s device when they visit or interact with the Platform.

Cookies help the Platform recognize users, remember preferences, improve functionality, enhance security and collect information about how the Platform is used.

Safeaux may also use similar technologies, such as web beacons, pixels and other tracking technologies, for purposes similar to those described in this Cookie Policy.

Section 3: Types of Cookies We Use

Safeaux may use different types of cookies and similar technologies to support the operation, security and functionality of the Platform.

3.1 Essential Cookies

Essential cookies are necessary for the operation of the Platform and enable core functions such as user authentication, account access, security and transaction processing.

3.2 Performance and Analytics Cookies

Performance and analytics cookies help Safeaux understand how users interact with the Platform, identify areas for improvement and monitor the performance of its services.

3.3 Functional Cookies

Functional cookies help remember user preferences and settings, allowing for a more personalized and efficient user experience.

3.4 Security Cookies

Security cookies help detect unauthorized activities, prevent fraud, protect user accounts and maintain the security of the Platform.

Section 4: How We Use Cookies

Safeaux may use cookies and similar technologies for various purposes, including:

- To enable and maintain the functionality of the Platform;
- To authenticate users and protect user accounts;
- To remember user preferences and settings;
- To improve the performance and user experience of the Platform;
- To monitor usage patterns and analyze platform activity;
- To detect, prevent and investigate fraud, security threats and unauthorized activities; and
- To support the delivery, maintenance and improvement of services available on the Platform.

Section 5: Third-Party Cookies

Safeaux may permit certain third-party service providers, partners or technology providers to place or use cookies and similar technologies on the Platform where necessary to support its services.

Such third parties may include analytics providers, communication service providers, cloud infrastructure providers, payment service providers, identity verification providers, security service providers and other technology partners engaged by Safeaux from time to time.

The use of cookies and similar technologies by third parties may be subject to their own privacy policies, cookie policies and terms of use.

Safeaux does not control the cookies or similar technologies used by third parties and encourages users to review the policies applicable to any third-party services they interact with through the Platform.

Section 6: Managing Cookies

Users may manage, disable or delete cookies through their browser, device or application settings.

The method for managing cookies may vary depending on the browser, device or operating system being used.

Users should note that disabling or restricting certain cookies may prevent some features of the Platform from functioning properly.

Where required by applicable law, Safeaux may provide users with options to manage cookie preferences through the Platform.

Section 7: Changes to This Cookie Policy

Safeaux reserves the right to modify, amend or update this Cookie Policy from time to time.

Where material changes are made, Safeaux may notify users through the Platform, email, SMS or any other appropriate communication channel.

The updated Cookie Policy shall take effect from the date it is published or otherwise communicated to users.

Users are encouraged to review this Cookie Policy periodically to remain informed about how cookies and similar technologies are used on the Platform.

Section 8: Contact Information

Users may contact Safeaux regarding this Cookie Policy or any questions relating to the use of cookies and similar technologies through the contact details provided on the Platform or through any official communication channel designated by Safeaux from time to time.

Safeaux may update its contact information from time to time and users are encouraged to refer to the Platform for the most current contact details.
